

## BINOCULAR PRIME 8x42mm Roof Prism

The Prime 8x42 binocular is the perfect blend of magnification and field of view, allowing easy viewing of moving animals and birds. The EXO Barrier and fully multicoated optics deliver bright images in any weather conditions. On top of that, they're covered by our transferable full lifetime Ironclad warranty so you can buy with confidence. Prime binoculars give you the important features you need at a reasonable price.

- Exclusive EXO Barrier Protection - Bushnell's newest and best protective lens coating molecularly bonds to the glass, repelling water, oil, dust, debris and preventing scratches.
- IPX7 Waterproof construction - O-ring sealed optics stay dry inside, when immersed in three feet of water for up to 30 minutes.
- Fully Multi Coated Optics - Multiple layers of coatings on all lens surfaces increase light transmission and image brightness.
- Full lifetime Ironclad warranty
- Includes padded neck strap and carrying case.
- Features attached front lens caps.
- Adjustable diopter to adjust to your eyes.
- Twist-up eye cups.
- Optic cleaning cloth
- Rugged, non-slip rubber armour absorbs shock waterproof/fogproof construction
- Textured center –focus knob for easy, precise adjustments
- Adapts to tripod
