Total Head Count		483

Description : WeTransform's newly developed web-based software is designed to display the total headcount in a company. This system integrates seamlessly with the T&A (Time and Attendance) system to provide accurate and real-time data.

To streamline headcount tracking and ensure the availability of critical team details, enhancing HR efficiency, management decision-making, and emergency preparedness.

Accurate headcount tracking is crucial for workforce management, compliance, and safety. Our solution addresses these needs by offering detailed and up-to-date information.

we need below Details required in the database table For headcount utility.
