

CLEANSOM PRO II

AUTOMATIC HAND SANITIZER DISPENSER

THE CLEANSOM PRO II - Automatic Hand Sanitizer Dispenser is an ultra-modern sanitizer dispenser equipped with a smart sensor. This automatic hand sanitizer dispenser is based on touchless technology providing assistance in triggering the pump to dispense the required amount of sanitizing solution. These are ideally suited for containing the spread of germs as well as bacteria and assist in keeping residential and commercial establishments clean and safe. Further, its construction designs provide for easy maintenance and refilling with cost-effective working as less solution is required per hand wash.
