Important Update: Introducing Maclane (Formerly RoadMark India)

We are reaching out to share an important development: our brand name **Roadmark India** is officially transitioning to **Maclane**.

This change is solely an administrative step taken to resolve **trademark rights** and ensure the long-term protection of our brand. Rest assured, this transition will be **seamless** for you.

We want to be perfectly clear: we are the **original company** and the **first manufacturer** of thermoplastic road marking paint. The quality, formulation, and manufacturing team that you trust is not changing. We are simply operating under a new, clear brand: **Maclane**.

Note – Our old GST no. - 06BDDPJ6872J3Z7 (RoadMark India, Gurugram)

GST no. - 24CBFPM2201R1ZM (RoadMark India, Ahmedabad)

Will be still operational for business along with our new business registrations.

Thank you for your understanding. Please update your records to reflect our new name, **Maclane**.
